2/5/2021 – information subject to change at anytime

Per NYS law, the following rules must be followed at every location:

- Masks must be worn over mouth and nose at any time you are standing.
- All wine consumption must take place while seated; masks can be removed once seated, but must be put back on at any time you get up- even to get more wine!
- *All wine consumed on-site must be accompanied by a food purchase, which in most cases is built right into the tasting fee, or ala cart for a nominal fee.*
- Social distancing is required when standing and moving about.
- Tables cannot be moved or rearranged, as they're spaced according to NYS law.

A few things to be cognizant of:

- See above to see who requires reservations. Those that don't may still require you to wait to get in as there are limitations on tasting room capacity and limited tables
- Each winery is operated differently, so you may get a different experience at each winery– diversity is a good thing!
- Because the tasting experience has been elevated, the tasting fees have gone up. You can expect to see the average price between \$8 and \$12 dollars– trust me, the new experience is worth it! Plus, this typically includes food!
- Food and alcohol from other locations is NOT permitted on any other property
