### A few things to be cognizant of:

- NYS and it's Liquor Authority have given guidance on allowing masks to be removed for those who are vaccinated, though this is ultimately up to the business itself. Some have opted to keep the masks in place, and some have not. See above for who is doing what and be prepared to wear a mask at some locations until you've gotten to your seat.
- Social distancing is still required when standing and moving about.
- Tables cannot be moved or rearranged.,
- See above to see who requires reservations.
- Each winery is operated differently, so you may get a different experience at each winery– diversity is a good thing!
- Because the tasting experience has been elevated, the tasting fees have gone up. You can expect to see the average price between \$5 and \$12 dollars– trust me, the new experience is worth it! Plus, this typically includes food!
- Food and alcohol from other locations is NOT permitted on any other property
