A few things to be cognizant of:

- Cases are on the rise. While New York State hasn't started requiring masks, its still up to the individual businesses whether they'd like to or not. Bring it just to be safe.
- See above to see who requires reservations.
- Each winery is operated differently, so you may get a different experience at each winery– diversity is a good thing!
- Because the tasting experience has been elevated, the tasting fees have gone up. You can expect to see the average price between \$5 and \$12 dollars– trust me, the new experience is worth it! Plus, this typically includes food!
- Food and alcohol from other locations is NOT permitted on any other property
