A few things to be cognizant of:

- Cases are still on the rise and New York state just mandated that masks are required while indoors at public locations.
- See above to see who requires reservations.
- Each winery is operated differently, so you may get a different experience at each winery– diversity is a good thing!
- Because the tasting experience has been elevated, the tasting fees have gone up.

You can expect to see the average price between \$5 and \$12 dollars– trust me, the new experience is worth it! Plus, this typically includes food!

- Food and alcohol from other locations is NOT permitted on any other property
