A few things to be cognizant of:

- NYS has dropped the mask mandate but public spaces, however some businesses may still request you were one while standing. Keep a mask handy just incase.
- See above to see who requires reservations.
- Each winery is operated differently, so you may get a different experience at each winery– diversity is a good thing!
- Because the tasting experience has been elevated, the tasting fees have gone up. You can expect to see the average price between \$5 and \$12 dollars– trust me, the new experience is worth it! Plus, this typically includes food!
- Food and alcohol from other locations is NOT permitted on any other property
